Spring 2018 CTSA Program Meeting
Marriott Wardman Park Hotel, Washington, DC
Thurgood Marshall Ballroom
Wednesday, April 18, 2018

Agenda

12:00 - 1:00 pm  Registration

1:00 - 1:30 pm  Welcome, NCATS and CTSA Program Updates
Christopher P. Austin, M.D. and Michael G. Kurilla, M.D., Ph.D.

1:30 - 2:00 pm  CTSA Program Steering Committee Updates
Kathleen Brady, M.D., Ph.D. and Christopher P. Austin, M.D.

2:00 - 2:45 pm  CLIC Updates: Communications, Common Metrics and Collaborations
CTSA Program Coordinating Center for Leading Innovation and Collaboration (CLIC)
Martin Zand, M.D., Ph.D. and Deborah Ossip, Ph.D.

2:45 - 3:15 pm  Networking Break

3:15 - 4:00 pm  Clinical Trials Registration and Reporting
Valery Gordon, Ph.D., M.P.H., Sarah White, M.P.H. C.I.P., and Anthony Keyes, M.B.A., P.M.P.

4:00 - 5:00 pm  Collaborative Innovation Awards
Moderated by P.J. Brooks, Ph.D. and Erica Rosemond, Ph.D.

4:00 - 4:15 pm  Assessing the fitness of clinical data for research within a multi-institutional network: First steps toward a centralized data warehouse
Douglas S. Bell, MD, PhD, Informatics Program Lead for the UCLA CTSI (Hubs: UCLA, UCSD, UCSF, UC Davis, UC Irvine; Supplement to UL1 TR001881)

4:15 - 4:30 pm  Early Check: A Collaborative Innovation to Facilitate Pre-Symptomatic Clinical Trials in Newborns
Lisa Gehtland M.D.
(Hubs: UNC, Duke, Wake Forest; U01 TR001792)
4:30 - 4:45 pm  The Searchable Network of Clinical Trials and Researchers at the University of California
Brian Turner, M.B.A, UCSF
(Hubs: UCSF, UC Davis, UC Irvine, UCLA, UCSD; Supplement to UL1 TR001872)

4:45 - 5:00 pm  Trial within a Registry: STRESS trial (STeroids to REduce Systemic inflammation after neonatal heart Surgery), a collaboration between the CTSA and the STS Society of Thoracic Surgeons
Jennifer Li, M.D. (Hubs: Duke, JHU, Vanderbilt; U01 TR001803)

5:00 - 5:15 pm  Closing Remarks
Christopher P. Austin, M.D. and Michael G. Kurilla, M.D., Ph.D.
